**Unmatched Ventures Launches to Back the New Era of American Industrial Innovation**

*Talent-led investment firm focuses on building executive teams and investing in growth-stage companies across aerospace, defense, alternative energy, robotics & automation, and advanced manufacturing.*

**Los Angeles, CA – July 2025** – Today marks the official launch of Unmatched Ventures, a talent-led venture firm purpose-built to invest in and scale the next generation of frontier technology and industrial innovation. Founded by Todd Gitlin, Simon Casuto, Aaron Zeeb, and Holly Rockwell, Unmatched Ventures brings a combined track record of scaling breakout companies across frontier technology, venture capital, executive search, and advisory.

Unmatched Ventures is focused on the reindustrialization of the U.S. economy and the revitalization of sectors critical to national competitiveness. The firm invests in Series A - C growth-stage companies leading advancements in:

- **Aerospace and Defense**
- **Alternative Energy**
- **Robotics and Automation**
- **Advanced Manufacturing**, including 3D printing and industrial AI

These sectors are not just ripe for innovation, they represent rapidly expanding markets:

- The global space economy is projected to grow from \$418B today to \$1.8T by 2035
- The defense market is expected to increase by 31%, reaching \$3.9T by 2033
- Robotics and advanced manufacturing are each forecasted to more than double in size over the next five years
- The global energy transition market is set to triple, from \$2.07T to \$6.47T by 2032

What sets Unmatched apart is its talent-led model, pairing capital with executive search, advisory, and proprietary data on real-time company and talent movement to help founders build high-density leadership teams fast.

“Reindustrialization isn’t just an economic opportunity, it’s a national imperative,” said Holly Rockwell, Founding Partner. “We believe the future will be built by the companies reshaping how things are made, powered, and protected. At Unmatched, we’re here to back these companies with capital, with people, and with execution firepower.”
